Club Sponsorship Opportunities

Thank you for your interest in supporting **SOUTHERN CHAOS FC**. Our soccer program welcomes investments by businesses and organizations that share our interest in developing the youth of our community, capturing an active audience, and promoting their services to a targeted audience. Our various sponsorship opportunities provide for supporting a team or the program as a whole. Southern Chaos FC is a volunteer-led, not-for-profit organization.

By being a sponsor, our goal is to support your business or organization by giving back through marketing opportunities, exposure to your services, and involvement in the community.

Sponsor donations will be invested back into the club in the form of player tournament fees, equipment, and coach training courses. We are proud to be innovators in developing youth soccer in our community while increasing the availability of top-level soccer training, development, and growth to our youth, who may otherwise not have had the opportunity to play. Also, we look forward to creating an environment that promotes our players to achieve higher levels of playing in Middle School and High School.

For more information or to become a sponsor, please contact at (229) 894-3657 or email us at southernchaosfc@gmail.com. Our program will also welcome donations of any amount to help the kids and the program. Thank you so much for your consideration.

About Us

Southern Chaos FC was formed by parents and one volunteer coach in June 2019, which consisted of only one team with seven players. As of September 2019, 50 players have committed to 9 different teams and 5 players have committed to training positions. As you can see, this is a growing soccer program that will continue to expand with sponsorships and support.
